

# Under The Sea

The seaweed is always greener  
In someone else's lake  
You dream about going up there  
But that is a big mistake  
Just look at the world around you  
Right here on the ocean floor  
Such wonderful things surround you  
What more is you looking for?

Under the sea, under the sea  
Darling its better down where its wetter  
Take it from me  
Up on the shore they work all day  
Out in the sun they slave away  
While we're devoting full time to floating  
Under the sea

Down here all the fish is happy  
As after the waves they roll  
The fish on the land ain't happy  
They sad cause they're in the bowl  
The fish in the bowl is lucky  
They're in for a worser fate  
One day when the boss get hungry  
Guess who goin' be on the plate?

Wo-no, under the sea  
Under the sea  
Nobody beat us, fry us and eat us  
In frickazee  
We what the land folks loves to cook  
Under the sea we off the hook  
We've got no troubles, life is the bubbles

**Under the sea (under the sea)  
Under the sea (under the sea)  
Since life is sweet here, we got the beat here  
Naturally (naturally-ee-ee-ee)  
Even the sturgeon and the ray  
They get the urge and start to play  
We've got the spirit, you've got to hear it  
Under the sea**

**The lute play the flute  
The carp play the harp  
The plaice play the bass and they soundin' sharp  
The bass play the brass  
The chub play the tub  
The fluke is the duke of soul (yeah)  
The ray, he can play the lings on the strings  
The trout acting out  
The blackfish he sings  
The smelt and the sprat  
They know where it's at  
And oh, that blowfish blow!**

**[Instrumental]**

**Yeah, under the sea (under the sea)  
Under the sea (under the sea)  
When the sardine begin the beguine  
It's music to me (music is to me)  
What do they got, a lot of sand?  
We've got a hot crustacean band  
Each little clam here know how to jam here  
Under the sea  
Each little slug here cutting a rug here  
Under the sea  
Each little snail here know how to wail here  
That's why it's hotter under the water  
Yeah, we're in luck here down under the muck here  
Under the sea**
