

# Count to 10

*'Count to 10' is one of the simplest, yet challenging drama games!*

*This exercise promotes key skills that are crucial for language development, such as team work, patience, listening and concentrations skills.*

*It is suitable for all ages and abilities and should last no longer than ten minutes.*

## **Instructions:**

- 1) Arrange the pupils into a circle
- 2) The pupils must close their eyes and try to collectively count from 1 to 10.
- 3) If two pupils say the same number at the same time, counting must start from the beginning.
