

Match the Pairs

This activity is a fun way to improve a pupils vocabulary as well as their memory.

It is suitable for all ages and can be adapted depending on the ability of your class.

Instructions:

- 1) Divide the class into two groups
- 2) Decide on a category, and give each group a set of cards with the key words from this category - for example, 'Animals' - 'Dog', 'Cat', 'Elephant' etc.
- 3) Place a picture of a key word on the table. The two teams must race to place their card on top of the picture (similar to the card game 'Snap') - whoever is quickest wins a point.

This activity can be adapted into a listening exercise. Instead of placing a picture down on the table, try calling out the key words instead.
