

# Meet and Greet

*This is a great icebreaker that allows pupils to get familiar with their classmates and interact with each other.*

*It is suitable for all ages and abilities and should last around five minutes.*

## **Instructions:**

- 1) Tell the pupils to walk around the room for 30 seconds without bumping into each other.
- 2) For another 30 seconds, tell them to walk around the room and high-5 as many pupils as possible.
- 3) Next, low-5 as many pupils as possible.
- 4) Ask the children to walk around the room and shake hands with as many pupils as possible.

***Feel free to add other instructions that you feel will get the students moving and interacting with each other.***
