

Who's Moved?

This is a simple, fun activity that will test pupil's focus, memory and concentration.

It is suitable for all ages, all abilities, and classes of all sizes.

Instructions:

- 1) Gather the class into a circle
- 2) Choose one person to be the detective and to leave the room.
- 3) Choose three or four students to move to another place in the circle.
- 4) When the detective re-enters the room, they have to guess who has moved places.
